Year 1 Home Learning

For during school closure

English	Maths	Spellings	Linked Learning- Topic
Reading Spend this time sharing and reading books. Remember that you have access to Bug Club (details stapled in back of reading records) with comprehension questions and bugs to collect ☺ Purple Mash is also a good site to find interactive books – use the school log in at the back of your reading record again. **Writing** On the website are 2 suggested story writing sheets. I have sent home a seed growing kit – keep a diary about what you observe as it grows (suggested format in pack and on website) **Phonics** Keep practising! I have sent home a practise book and the purple spelling and phonics activities are always available. **Handwriting** Practise sheets – capitals and joins please.	In the packs/website – a maths game for the whole family to enjoy. Practise your maths wizard card Practise counting in 2s, 5's and 10's Counting to 100 and recognising the numerals – make your own 100 square.	Use the bookmarks of common exception words and high frequency words Purple books for spellings too.	Next term we are following the story of Peter Rabbit – as preparation please could the children make a fact sheet about rabbits – how to look after them, what they need, different types to recognise, a labelled picture etc.

Additional Information

As you can see, there is a lot of home learning for you to get stuck into. It is not compulsory to complete it all, but all of these tasks will help with your learning and help prepare you for your return to school.

If you have any queries about the home learning, or if you are unable to log on to any websites, please email me via the school office. I will try to respond as quickly as possible and help as much as I can. Thank you, Veronica Leary
