Our themes at Rainbow Club this term are 'At the Beach' and 'Under the Sea'. The children have really enjoyed decorating the room with things you find at the beach and we have been so impressed with their creativity; from making ice cream cones, beach huts and seagulls to painting and decorating stones all the way from the Welsh coast.

We have utilised the playground, school field and play equipment and had lots of outdoor fun when the weather has been kind to us.

Playing board games continues to be one of the favourite activities, with Battleships, Cluedo, Minecraft Uno, Greedy Granny, Connect 4 and Chess being the most popular.

Thanks to a kind donation of large card from a local framers, we turned Rainbow Club into a Board Game manufacturer last week, and the children had such fun coming up with ideas for their own board games and then creating and playing with them.

Friday Film Club is a welcome end of a busy school week. We turn the library into a cinema, turn the lights down and enjoy the latest children's releases on Disney Plus and Netflix.

Rainbow Club's food serving area recently had an inspection from the Food Hygiene Agency and we're delighted to have received a 5 rating.
