Learning Together

Positive, unique, diversity, team-player, safe, happy, enthusiastic, achieve, encourage, motivate, support, achieve, confident, life-long learners.

5th November 2021

Dear Parents and Carers

I hope everyone had an enjoyable half term and welcome back to school. I am aware that there are still lots of colds, coughs and even sickness around so please continue to be mindful to keep our community safe and well by ensuring children stay at home if they are poorly. If we have any positive cases of Covid we will continue to follow Warwickshire guidance and keep all close contacts informed.

Meanwhile we look forward to an exciting term of learning and Christmas festivities. Keep an eye on our diary dates for other events such as Children in Need and Anti-bullying week.

Happy Diwali and I hope you enjoy celebrating bonfire night safely if you are watching a firework display this weekend.

Best wishes
Katie Gane

Team Captains and Vice-Captains

Congratulations to all the Year 6 children who delivered excellent presentations to their teams today. The children did a great job and were all worthy of the roles. The successful candidates were voted into the positions by their team, through a democratic process involving the whole school.

We are proud to announce our Priors Field Team Captains and Vice Captains for 2021/22.

Remembrance Day

Next Thursday the whole school will be taking their poppies that have been made in school up to the environmental area for our outdoor Remembrance service. The children need to be warm and dry. Please can we kindly request that every child has a coat and wellies in school next week. Thank you.

Year 3 Science - Food Packaging Required!

We will be investigating food labels next Tuesday (9th November) as part of our science learning around nutrition. I would be grateful if the children could bring in any empty and clean boxes, bags, cartons etc. from a variety of different foods to help with this learning. Many thanks, Mrs Braley

Date for your Diary

Children in Need Day will be celebrated on Friday November 19th November.

The theme this year is 'Together we can' and the children may wear bright clothes - and Pudsey ears if they would like to!

The pandemic has been hard on all of us, but for children already facing challenges, it has made life even more difficult. With the help of our donations, we can support and help to change the lives of thousands of children in local communities across the UK. We will join a PE session online with Joe Wicks and go for a ramble in our beautiful school grounds.

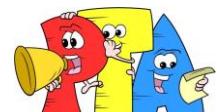

A voluntary donation of £1, or whatever you are feel able to give, would be greatly appreciated.

Safety reminders

Please can we remind all parents and carers that children should not arrive at school before 8.45am. Staff are not on duty until 8.45am to supervise children's safety. Rainbow Club is available to book ad hoc sessions for children before school, from 7.30am if required.

Please can we also remind parents and carers not to park in the staff carpark between 7.45am - 4.45pm, even if you are collecting from afterschool club. Thank you.

PRIORS FIELD PTA NEWS

PTA Christmas Shop gift requests

Coming home in your child's book bag today is the return slip for requesting gifts to be bought at the PTA Christmas shop.

This event is always a huge success every year and magical for the participating children.

Please complete the slip with the name of the child and name of each recipient and enclose £3 per gift (cash or cheque) in a sealed envelope via your child's bookbag or the school office by Monday 8th November.

Bag2school pick up

We are running the next bag2school pick up on Tuesday 9th November. Please drop your sealed plastic bags of unwanted textiles next Tuesday morning by the bike racks before 9am.

The Matchbox Challenge

Thank you to everyone who completed our matchbox challenge. We aim to announce the winners in next Friday's newsletter and return the labelled matchboxes back to each child the following week.

Best wishes,

The PTA committee
