In your home learning books, write a prediction about what you think is going to happen in Kensuke's Kingdom. Think about the front cover and what we have already read to help support your ideas. Remember to explain <b>why</b> you think this will happen.	Log in to MyMaths and complete ' <b>Counting 5</b> ' task.  Remember to look at the place value of each digit to see which will change when adding and subtracting.	Log in to Times Table Rock Stars and practise the tables set in ' <b>garage</b> ' and ' <b>arena</b> '.	Practice the spelling of as many homophones as you can, understanding which spellings should be used for the correct meaning.  <ol style="list-style-type: none"><li>1.
