

Rainbow Club - Autumn Term Newsletter

It's been wonderful to welcome the new Reception children at Rainbow Club this term. They have all settled in so well and been enjoying playing with the toys and games on offer and making the most of our lovely outdoor space.

We have been concentrating on spooky crafts this half term and the children have been very busy creating a fabulous display of bats, ghosts and pumpkins.

In the Reception and KS1 area we have been reading about Fairy Tales and had lots of fun creating a Fairy Tale display.

Activities popular in the KS2 area include cross stitch, pompom making, Lego and table top pool. We have recently had a delivery of new footballs, bats and balls and outdoor toys for Rainbow Club and have been outside in the sports court testing them all out.

We are very happy to have Bayleaf Cookery back, the recipes the children have been making look delicious and many of the children have been learning brand new cookery skills. Bayleaf classes get booked up very quickly so if you require a place for your child please try and book as soon as possible when the bookings go live.

New for November

We are excited to start the new half term soon and begin our new sessions - Running Club, Karaoke Club and Homework Club.

Bookings are now live and can be assessed by clicking on the following link -

<https://priorsfield.onsidelive.co.uk/sign-in>

If you find that a club is fully booked please e-mail me to go on the waiting list.

Rainbow Club - Autumn Term Newsletter

We are always thinking ahead to see which additional classes we can offer to enhance the before and after club school experience. Beginning in January we are hoping to run a French club and are in the process of gauging interest. If this is something you would be interested for your child please e-mail us on the below e-mail address.

Thank you to all our Rainbow Club parents and carers for your continued support. We are always happy to listen to any feedback, ideas or suggestions so do please get in touch with us at rainbows@welearn365.com
